GENERAL BIOGRAPHICAL INFORMATION

A. Personal

1. **Full Name:** Jessica A. Ching

2. **Citizenship:** USA

B. Education

1. **Undergraduate Education**

Baylor University, Waco, Texas, United States
Bachelor of Science (B.S.) summa cum laude with Honors Program distinction, in Psychology and Chemistry, September 2001 – December 2004.
Honors Thesis, 2001-2004: *The Psychological Aspects of War as Portrayed in Literature: Particularly Themes of Fear, Isolation, Desertion, and Camaraderie*

2. **Medical Education or Graduate Education**

University of Texas Medical Branch at Galveston, Galveston, Texas, United States
Graduation Date: May 30, 2009
Doctor of Medicine (M.D.) with AOA distinction, August 2005 – May 2009.
Hispanic Health Care Track, Spanish training for physicians completed as part of M.D., 2005-2007.

3. **Postgraduate Training**

The Hospital for Sick Children, University of Toronto, Toronto, Ontario, Canada.
Craniofacial Fellowship, July 1, 2015 – June 30, 2016.

University of South Florida, Tampa, Florida, United States
Plastic Surgery Residency (Integrated), July 1, 2009 – June 30, 2015.

C. Academic Appointments

1. **Current Faculty Position(s)**

Associate Professor, Division of Plastic Surgery, Department of Surgery, Baylor College of Medicine, Houston, Texas.
September 9, 2024 – Present.

Member, Vascular Anomalies Team, Texas Children's Hospital, Houston, Texas.
September 9, 2024 – Present.

2. **Previous Faculty Position(s) at Other Institutions**

Wellbeing Champion, Department of Surgery, University of Florida. May 2023 – May 2024.

Associate Professor, Division of Plastic Surgery, Department of Surgery, University of Florida, Gainesville, Florida.
July 1, 2022 – September 9, 2024.

Associate Professor, Department of Pediatrics, University of Florida, Gainesville, Florida.
July 1, 2022 – September 9, 2024

Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida.
September 1, 2019 – September 9, 2024

Assistant Professor, Division of Plastic Surgery, Department of Surgery, University of Florida, Gainesville, Florida.
September 9, 2016 – June 30, 2022.

Assistant Professor, Department of Pediatrics, University of Florida, Gainesville, Florida.
January 2, 2019 – June 30, 2022.

Surgical Director; Craniofacial Team, Department of Pediatrics, University of Florida.
May 1, 2017 – September 9, 2024

Co-Director, Vascular Anomalies Team, Department of Surgery, University of Florida.
December 2016 – September 9, 2024

Member; Craniofacial Team, Department of Pediatrics, University of Florida.
September 9, 2016 – September 9, 2024

Examiner; Medical Student Oral Exams, Surgery Clerkship, Department of Surgery, University of Florida.
October 2016 – September 9, 2024

D. Other information

1. Honors or Awards

Invited Lecturer, The Value of the Authentic Doctor, Gold Humanism Annual Summit 2024, Atlanta, GA. March 1, 2024.

Faculty of the Month, Department of Surgery, University of Florida College of Medicine, February 2023.

Invited Panelist, Just the Facts Panel, 2021 Annual Meeting of the Southeastern Society of Plastic Surgeons, Hilton Head, SC. June 16, 2021.

Invited Lecturer, Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. February 5, 2021.

Invited Lecturer, Grand Rounds, Department of Dermatology, University of Florida. January 8, 2021.

Invited Lecturer, Secondary Surgery for Cleft Lip and Palate. Interdisciplinary Grand Rounds, College of Dentistry, University of Florida. January 8, 2021.

Exemplary Teacher Award, University of Florida College of Medicine, 2020.

Invited Lecturer, 2020 Annual Meeting of the American Academy of Pediatrics. October 4, 2020.

Invited Lecturer, Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. April 24, 2020.

Invited Lecturer. Masterclass: Innovations is Craniofacial Surgery. Depuy Synthes Craniomaxillofacial National Meeting. April 17, 2020.

Invited Expert, Otolaryngology Grand Rounds, Department of Otolaryngology, College of Medicine, University of Florida. June 12, 2020. Elected Vice President of Florida Cleft Palate – Craniofacial Association, January 18, 2020

Elected Secretary of Florida Cleft Palate – Craniofacial Association, January 19, 2019

Invited Lecturer, 2018 Annual Meeting of the American Academy of Pediatrics. November 4, 2018.

Invited Panelist, Leaders and Legends Advisory Board, Synthes. April 2018.

Elected Editor of Florida Cleft Palate – Craniofacial Association, January 20, 2018.

Keynote Speaker, Capstone for Masters in "Medical Aesthetics". Queen Mary, University of London. December 2017.

Service Key Award. Excellence in patient care. University of Florida. August 2017.

Keynote Speaker, Department of Oral and Maxillofacial Surgery Graduation. June 24, 2017.

Registrant, International Database for Corneal Neurotization. University of Florida registered as 20th international site for procedure, May 2017.

Invited Expert Panelist, Consensus panel, Management of complex craniomaxillofacial injuries in war and austere environments. Queen Mary, University London School of Medicine and Dentistry. January 2017.

Physician Representative, Quality Improvement Project for Increasing Admission Medicine Reconciliation on 8C Medical/Surgery Ward, The Hospital for Sick Children, 2015-2016.

Best Resident Paper, Florida Society of Plastic Surgeons. December 4-7, 2014.

Resident Representative, Resident Advisory Committee to Graduate Medical Education Committee, University of South Florida, 2011-2012.

Outside Resident Representative, Internal Review Committee for the Hematology-Oncology Fellowship Program, University of South Florida, September 2011.

Alpha Omega Alpha Honor Society, 2009.

Gold Humanism Honor Society, February 2008.

University of Texas Medical Branch Student Leader of the Month, recognized for leadership with CHIP/Children's Medicaid project with Children's Healthcare Coalition, 2007.

University of Texas Medical Branch Student Leader of the Month, recognized for leadership with CHIP/Children's Medicaid project with Children's Healthcare Coalition, 2006.

Brainstorming Committee, Student representative, Interdisciplinary Care Vision: "Team Care: A Patient-Centered Ideal." University of Texas Medical Branch. June 2006.

Outstanding Graduating Senior, The Alpha Chi Award, Baylor University, December 2004.

Outstanding Senior Psychology Student, Baylor University, May 2004.

Dean's List, Baylor University, 2001-2004

Semi-Finalist for Carpe Diem Scholarship, top 125 of 25,000+ national applicants, August 2003.

Baylor University's selected nominee, for the Jack Kent Cooke National Scholarship, January 2003.

Dr. Michael E. DeBakey Summer Surgery Program, Baylor College of Medicine, 2003. One of 20 students selected nationally to participate in a surgery experience through Baylor College of Medicine.

Semi-Finalist for Carpe Diem Scholarship, top 237 of 25,000+ national applicants, August 2002.

American Legion Award Recipient, 2001.

Junior League of Galveston County Scholarship Recipient, 2001.

Galveston County Daily News Scholarship Recipient, 2001.

Moody Foundation; Scholarship recipient, 2001.

Moody Foundation; Honor Scholarship Recipient, 2001.

Robert C. Byrd Scholarship Recipient, 2001.

Nation Merit Commended Scholar, 2001.

2. Board Eligibility/Certification

Board Certified, American Board of Plastic Surgery.
Awarded: December 13, 2017

3. Other Non-academic Positions (include locations, titles, dates of employment)
Education Consultant, Depuy Synthes (Johnson & Johnson), March 2020 - March 2022

Education Consultant, Acumed, December 2022 – December 2023.

II. RESEARCH INFORMATION

A. Research Support

COMPLETED RESEARCH SUPPORT

1. **Technical Title of Project:** CHIP and Children's Medicaid Enrollment Project
   a. **Name of Funding Agency:** President's Cabinet Award, University of Texas Medical Branch, Galveston, Texas
   b. **Specify Grant, Contract or Other:** Grant
   c. **Grant Number (if applicable):** n/a
   d. **Investigator Relationship or Role on Project (PI, co-PI, Fellow, etc.):** Co-PI
   e. **Dates of Funding:** September 2007-May 2009
   f. **Annual Direct Cost and Direct Cost for Entire Funding Period:** $11,194

B. National Scientific Participation

1. Editorial Contributions

Cleft Palate-Craniofacial Journal, Ad Hoc Reviewer, November 16, 2016 – present.

Annals of Plastic Surgery, Ad Hoc Reviewer, December 9, 2016 – present.

2. Professional Societies

Florida Cleft Palate-Craniofacial Association, Active Member, 2016 - Present.

Vice President, 2020 – 2021.

Secretary, 2019 – 2020.

Editor, 2018 – 2019.

American Academy of Pediatrics, Fellow, 2018 – Present.

American Society of Plastic Surgery, Active Member, 2018 – Present.

American Council of Educator Plastic Surgeons, Active Member, 2018 – Present.

Craniofacial Morphometrics Work Group, Member, 2017 – 2020.

American Cleft Palate-Craniofacial Association, Active Member, 2016 - Present.

Gold Humanism Honor Society. Member, 2008.

Alpha Omega Alpha, Member, 2008.

3. Elected Positions

Florida Cleft Palate-Craniofacial Association, Active Member, 2016 - Present.

Vice President, 2020 – 2021.

Secretary, 2019 – 2020.

Editor, 2018 – 2019.

4. Invited Lectures, Presentations, Seminars

a. International

Ching JA. Keynote. Spring-Assisted Cranioplasty. Acumed Webinar. December 14, 2022.

Ching JA. Keynote. Factors that Influence Attractiveness. Queen Mary, University of London; Capstone for Masters in "Medical Aesthetics." London, United Kingdom. December 8, 2017.

Ching JA. Keynote. Evolution of Objective Facial Analysis. Queen Mary, University of London; Capstone for Masters in "Medical Aesthetics." London, United Kingdom. December 8, 2017.

Ching JA. Lecture. Parotid Duct and Salivary Gland Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

Ching JA. Lecture. Facial Nerve Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

Ching JA. Lecture. Temporomandibular Joint Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

b. National

Ching JA, Erdahl L. The Operative Word Podcast. Journal of the American College of Surgeons. November 2024.

Ching JA. Breakout Session. The Value of the Authentic Doctor. Annual Summit of the Gold Humanism Honor Society. March 1, 2024.

Ching JA. Keynote. Midwestern University Women in Surgery Meeting. December 15, 2021.

Ching JA. Lecture. Cranial vault reconstruction with RAPIDSORB IPS: The University of Florida Experience. Pediatric Craniofacial Deformity Webinar. July 28, 2021.

Ching JA. Lecture. Dominating with the RAPIDSORB Injectable Polymer System: The University of Florida Experience. Depuy Synthes Craniomaxillofacial Town Hall Meeting. June 17, 2021.

Ching JA. Lecture. Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. February 5, 2021.

Ching JA, and Governale L. Lecture. Head-to-Head: Craniosynostosis vs Positional Plagiocephaly. American Academy of Pediatrics. Orlando, Florida. October 4, 2020.

Ching JA. Lecture. Cranial Vault Reconstruction with RAPIDSORB Injectable Polymer System: The University of Florida Experience. Depuy Synthes Craniomaxillofacial Webinar Series. July 27, 2020.

Ching JA. Lecture. Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. April 24, 2020.

Ching JA. Lecture. Masterclass: Innovations is Craniofacial Surgery. Depuy Synthes Craniomaxillofacial National Meeting. April 17, 2020.

Ching JA, and Governale L. Lecture. The Misshapen Head: Craniosynostosis vs Positional Plagiocephaly. American Academy of Pediatrics. Orlando, Florida. Nov 4, 2018.

Grotting J, Ching JA. Lecture. SMAS Dissection and Plication Techniques in Facelift. American Society of Maxillofacial Surgeons & American Society of Plastic Surgeons. Annual Meeting of the American Society of Plastic Surgeons. Orlando, Florida. October 7, 2017.

c. Regional

Ching JA. Lecture and Panelist. Tranexamic Acid Use in Plastic Surgery. Southeastern Society of Plastic and Reconstructive Surgeons. Hilton Head, South Carolina. June 14, 2021 – June 17, 2021.

Ching JA, Curtis HL, Braue JA, Kudchadkar R, Mendoza T, Messina J, Cruse CW, and Harrington MA. Paper. Neoadjuvant hedgehog inhibitor therapy for extensive basal cell carcinoma: an update. Florida Society of Plastic Surgeons. Orlando, Florida. Dec 4, 2014 - Dec 7, 2014.

Ching JA, Alvarez SA, Conley C, and Ruas EJ. Paper. Mandibular distraction osteogenesis for airway obstruction in Pierre Robin Sequence. Florida Cleft Palate-Craniofacial Association. Orlando, Florida. Jan 10, 2014 - Jan 11, 2014.

Ching JA. Lecture. State of Wellness in the Department of Surgery. Department of Surgery Grand Rounds, University of Florida, November 3, 2023.

Ching JA. Lecture. Pierre Robin Sequence. Division of Neonatology Grand Rounds, Department of Pediatrics, University of Florida, February 11, 2021.

Ching JA. Lecture. Scar Revision in Pediatric Plastic Surgery. Grand Rounds, Department of Dermatology, University of Florida. January 8, 2021.

Ching JA. Lecture. Objective Facial Analysis and Factors that Influence Attractiveness. Grand Rounds, Department of Dermatology, University of Florida. January 8, 2021.

Ching JA. Lecture. Secondary Surgery for Cleft Lip and Palate. Interdisciplinary Grand Rounds, College of Dentistry, University of Florida. January 8, 2021.

Ching JA. Lecture. Pushing the Envelope in Craniofacial Surgery. Grand Rounds, Department of Surgery, University of Florida. August 14, 2020.

Ching J. Lecture. Blood Management in Craniosynostosis Surgery. Division of Pediatric Intensive Care, Department of Pediatrics. October 10, 2019.

Ching JA. Lecture. Pierre Robin Sequence. Division of Neonatology Grand Rounds, Department of Pediatrics, University of Florida, January 4, 2018.

Ching JA. Keynote. Cleft Lip Repair. Department of Oral and Maxillofacial Surgery Graduation Lecture. University of Florida. June 24, 2017.

Ching JA. Keynote. Cleft Rhinoplasty. Department of Oral and Maxillofacial Surgery Graduation Lecture. University of Florida. June 24, 2017.

Ching JA. Lecture. Cleft Lip and Palate. Grand Rounds, Department of Orthodontics, University of Florida. January 19, 2017.

Ching JA. Lecture. Cleft Lip and Palate. Grand Rounds, Department of Oral and Maxillofacial Surgery, University of Florida. January 12, 2017.

Ching JA. Lecture. Craniosynostosis: Diagnosis and Treatment. Grand Rounds, Department of Surgery, University of Florida. November 9, 2016.

III. TEACHING INFORMATION

A. Educational Leadership Roles

Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida. September 1, 2019 – May 13, 2024.
Oversee Independent and Integrated Plastic Surgery residencies, maintain ACGME compliance, work with GME leadership, develop new curriculum/rotations, adapt ongoing curriculum to evolving clinical context, didactic schedule. Developed and implemented Wellness Curriculum for residents.

Associate Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida. July 1, 2018 – September 1, 2019.
Support the Program Director to oversee the Independent and Integrated Plastic Surgery residencies, maintain ACGME compliance, work with GME leadership, develop new

curriculum/rotations, adapt ongoing curriculum to evolving clinical context, didactic schedule.

Examiner; Medical Student Oral Exams, Surgery Clerkship, Department of Surgery, University of Florida. October 2016 – Present.
Administer MS3 Surgery Clerkship oral examinations on a rotating basis, average 4 times per year.

Instructor & Organizer; Suturing Lab, Chronic Pain Fellows, Department of Anesthesia, University of Florida. May 2017 – July 2022.
Teach suturing techniques to Department of Anesthesia Chronic Pain Fellows through hands-on laboratory and lecture.

Instructor & Organizer; MS3 Suturing Lab, Surgical Clerkship, Department of Surgery, University of Florida. May 2017 – October 2020.
Teach suturing techniques to third-year medical students for each Surgery Clerkship block through hands-on laboratory and lecture.

Instructor & Organizer; MS4 Advanced Suturing Lab, Surgical Clerkship, Department of Surgery, University of Florida. April 2018 – October 2020.
Teach advanced suturing techniques to fourth-year medical students during their Surgery Sub-Internship block through hands-on laboratory and lecture.

Collaborator, Class "Art, Body, Health: Visual Arts and Healthcare Collaboration." Spring Semester 2018, Fall Semester, 2018, Spring Semester 2019, Fall Semester 2019.
Worked with undergraduate class to address identified issues in Craniofacial Clinic patient experience and pediatric surgery patient experience through interactive education. Through the experience, two children's books were authored and illustrated.

Mentor, Undergraduate Course MDU4004, Medical Shadowing, University of Florida, each Fall/Spring/Summer Semester, 2017 to present.
Mentored undergraduate students in plastic and craniofacial surgery via shadowing and teaching in the operating room and in the clinic. One student per semester session.

Mentor, Medical Student Research Program, College of Medicine, University of Florida. Summer Semester, 2018, 2019, 2020, 2021, 2022, 2023.
Mentored first-year medical students interested in plastic surgery research during their summer session. Assisted student with project development, IRB formulation, data collection, analysis of the results, and presentation of the project.

Member; Master's Thesis Committee for Katharine Freeman, Resident, Department of Orthodontics, University of Florida. Project: Transverse Maxillary Arch Collapse in Children with Unilateral Cleft Lip and Palate. December 2016 – May 2019.
Served as an advisor for Katharine Freeman, Orthodontic resident. Assisted with project design, reviewed IRB and data collection, reviewed thesis, participated in final thesis defense.

Mentor, Senior Project, Oak Hall High School, Gainesville, Florida. Spring Semester, 2017, 2018.

B. Didactic Coursework

1. Courses Taught at Current Institution

Examiner; Medical Student Oral Exams, Surgery Clerkship, Department of Surgery, University of Florida. October 2016 – Present.
Administer MS3 Surgery Clerkship oral examinations on a rotating basis, average 4 times per year.

Instructor & Organizer; Suturing Lab, Chronic Pain Fellows, Department of Anesthesia, University of Florida. May 2017 – July 2022. One 3-hour lab each summer to incoming fellows.
Teach suturing techniques to Department of Anesthesia Chronic Pain Fellows through hands-on laboratory and lecture.

Suture Lab Instructor. 8-week course. BCC7160 Surgery Clerkship. 3 hours per lab. 20-30 students. 6 labs per year. Completed September 2016 – October 2020.
Teach suturing techniques to third-year medical students for each Surgery Clerkship block through hands-on laboratory and lecture.

Instructor & Organizer; MS4 Advanced Suturing Lab, Surgical Clerkship, Department of Surgery, University of Florida. April 2018 – October 2019. One 3-hour lab per block, 3-4 students each lab.
Teach advanced suturing techniques to fourth-year medical students during their Surgery Sub-Internship block through hands-on laboratory and lecture.

Lecturer and collaborator. ART 3807C; "Art, Body, Health: Visual Arts and Healthcare Collaboration." 2 hours per week. Spring Semester 2018, Fall Semester 2018, Fall Semester 2019.
Worked with undergraduate class to address identified issues in Craniofacial Clinic patient experience and pediatric surgery patient experience through interactive education. Through the experience, two children's books were authored and illustrated.

Mentor, Undergraduate Course MDU4004, Medical Shadowing, University of Florida, each Fall/Spring/Summer Semester, 2017 to present.
Mentored undergraduate students in plastic and craniofacial surgery via shadowing and teaching in the operating room and in the clinic. One student per semester session.

Mentor, Medical Student Research Program, College of Medicine, University of Florida. Summer Semester, 2018, 2019, 2020, 2021, 2022, 2023.
Mentored first-year medical students interested in plastic surgery research during their summer session. Assisted student with project development, IRB formulation, data collection, analysis of the results, and presentation of the project.

Member; Master's Thesis Committee for Katharine Freeman, Resident, Department of Orthodontics, University of Florida. Project: Transverse Maxillary Arch Collapse in Children with Unilateral Cleft Lip and Palate. December 2016 – May 2019.
Served as an advisor for Katharine Freeman, Orthodontic resident. Assisted with project design, reviewed IRB and data collection, reviewed thesis, participated in final thesis defense.

D. Curriculum Development Work

1. Course(s)/Curricula to Which Contributions Have Been Made

Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida. September 1, 2019 – May 13, 2024.
Oversee Independent and Integrated Plastic Surgery residencies, maintain ACGME compliance, work with GME leadership, develop new curriculum/rotations, adapt ongoing

curriculum to evolving clinical context, didactic schedule. Developed and implemented Wellness Curriculum for residents.

Examiner; Medical Student Oral Exams, Surgery Clerkship, Department of Surgery, University of Florida. October 2016 – Present.
Administer MS3 Surgery Clerkship oral examinations on a rotating basis, average 4 times per year.

Instructor & Organizer; Suturing Lab, Chronic Pain Fellows, Department of Anesthesia, University of Florida. May 2017 – July 2022.
Teach suturing techniques to Department of Anesthesia Chronic Pain Fellows through hands-on laboratory and lecture.

Instructor & Organizer; MS3 Suturing Lab, Surgical Clerkship, Department of Surgery, University of Florida. May 2017 – October 2020.
Teach suturing techniques to third-year medical students for each Surgery Clerkship block through hands-on laboratory and lecture.

Instructor & Organizer; MS4 Advanced Suturing Lab, Surgical Clerkship, Department of Surgery, University of Florida. April 2018 – October 2020.
Teach advanced suturing techniques to fourth-year medical students during their Surgery Sub-Internship block through hands-on laboratory and lecture.

Collaborator, Class "Art, Body, Health: Visual Arts and Healthcare Collaboration." Spring Semester 2018, Fall Semester, 2018, Spring Semester 2019, Fall Semester 2019.
Worked with undergraduate class to address identified issues in Craniofacial Clinic patient experience and pediatric surgery patient experience through interactive education. Through the experience, two children's books were authored and illustrated.

Mentor, Undergraduate Course MDU4004, Medical Shadowing, University of Florida, each Fall/Spring/Summer Semester, 2017 to present.
Mentored undergraduate students in plastic and craniofacial surgery via shadowing and teaching in the operating room and in the clinic. One student per semester session.

Mentor, Medical Student Research Program, College of Medicine, University of Florida. Summer Semester, 2018, 2019, 2020, 2021, 2022, 2023.
Mentored first-year medical students interested in plastic surgery research during their summer session. Assisted student with project development, IRB formulation, data collection, analysis of the results, and presentation of the project.

D. Non-didactic Teaching

1. Resident Training

Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida. September 1, 2019 – May 13, 2024.
Oversee Independent and Integrated Plastic Surgery residencies, maintain ACGME compliance, work with GME leadership, develop new curriculum/rotations, adapt ongoing curriculum to evolving clinical context, didactic schedule. Developed and implemented Wellness Curriculum for residents.

Associate Program Director; Division of Plastic Surgery, Department of Surgery, University of Florida. July 1, 2018 – September 1, 2019.
Support the Program Director to oversee the Independent and Integrated Plastic Surgery residencies, maintain ACGME compliance, work with GME leadership, develop new curriculum/rotations, adapt ongoing curriculum to evolving clinical context, didactic schedule.

Faculty Member; Division of Plastic Surgery, Department of Surgery, University of Florida. September 9, 2016 – September 9, 2024.
Teach craniofacial surgery and pediatric plastic surgery to Integrated and Independent residents daily during Pediatric Rotation. 1-2 residents per rotation block. 50-60 hours per week.

2. Clinical Fellow Training

Faculty Mentor, Craniofacial Fellowship, Division of Plastic Surgery, Department of Surgery, Baylor College of Medicine, Texas Children's Hospital, Houston, Texas. September 9, 2024 – present.

3. Research Fellow Training

Faculty Mentor, Plastic Surgery Research Fellowship, Division of Plastic Surgery, Department of Surgery, Baylor College of Medicine, Texas Children's Hospital, Houston, Texas. September 9, 2024– present.

4. Graduate Student Training

Member and Faculty Mentor; Master's Thesis Committee for Katharine Freeman, Resident, Department of Orthodontics, University of Florida. Project: Transverse Maxillary Arch Collapse in Children with Unilateral Cleft Lip and Palate. December 2016 – May 2019.
Served as an advisor for Katharine Freeman, Orthodontic resident. Assisted with project design, reviewed IRB and data collection, reviewed thesis, and participated in final thesis defense.

E. Faculty Development or Continuing Medical Education

CME Article and Questions for Journal of the American College of Surgeons: Ockerman KM, Mardourian M, Han SH, Sorice-Virk S, Ching J. Protective Effects of Authenticity Against Depression, Suicide, and Burnout among Surgeons. J Am Coll Surg. 2024 Nov 1;239(5):485-493. doi: 10.1097/XCS.0000000000001128. Epub 2024 Oct 16. PMID: 38895945.

F. Lectures and Presentations

1. International

Ching JA. Keynote. Spring-Assisted Cranioplasty. Acumed Webinar. December 14, 2022.

Ching JA. *Keynote*. Factors that Influence Attractiveness. Queen Mary, University of London; Capstone for Masters in "Medical Aesthetics." London, United Kingdom. December 8, 2017.

Ching JA. *Keynote*. Evolution of Objective Facial Analysis. Queen Mary, University of London; Capstone for Masters in "Medical Aesthetics." London, United Kingdom. December 8, 2017.

Ching JA. *Lecture*. Parotid Duct and Salivary Gland Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

Ching JA. *Lecture*. Facial Nerve Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

Ching JA. *Lecture*. Temporomandibular Joint Injury Management. Consensus Meeting on Facial Trauma in War and Austere Conditions, Queen Mary, University of London School of Medicine and Dentistry. Vienna, Austria. January 26, 2017.

2. National

Ching JA. *Breakout Session*. The Value of the Authentic Doctor. Annual Summit of the Gold Humanism Honor Society. March 1, 2024.

Ching JA. *Keynote*. Midwestern University Women in Surgery Meeting. December 15, 2021.

Ching JA. *Lecture*. Cranial vault reconstruction with RAPIDSORB IPS: The University of Florida Experience. Pediatric Craniofacial Deformity Webinar. July 28, 2021.

Ching JA. *Lecture*. Dominating with the RAPIDSORB Injectable Polymer System: The University of Florida Experience. Depuy Synthes Craniomaxillofacial Town Hall Meeting. June 17, 2021.

Ching JA. *Lecture*. Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. February 5, 2021.

Ching JA, Governale L. *Lecture*. Head-to-Head: Craniosynostosis vs Positional Plagiocephaly. 2020 Annual Meeting of the American Academy of Pediatrics. Orlando, Florida. October 4, 2020.

Ching JA. *Lecture*. Cranial Vault Reconstruction with RAPIDSORB Injectable Polymer System: The University of Florida Experience. DePuy Synthes Craniomaxillofacial Webinar Series. July 27, 2020.

Ching JA. *Lecture*. Surgical Treatment of Cleft Lip and Palate. Craniofacial Anomalies Seminar for Pediatric Dental Residents of the American Academy of Pediatric Dentistry. April 24, 2020.

Ching JA. *Lecture*. Masterclass: Innovations in Craniofacial Surgery. DePuy Synthes National Sales Meeting. April 17, 2020.

Ching JA, Governale L. *Lecture*. The Misshapen Head: Craniosynostosis vs Positional Plagiocephaly. 2018 Annual Meeting of the American Academy of Pediatrics. Orlando, Florida. November 4, 2018.

Grotting J, Ching JA. *Lecture*. SMAS Dissection and Plication Techniques in Facelift. American Society of Maxillofacial Surgeons & American Society of Plastic Surgeons. Annual Meeting of the American Society of Plastic Surgeons. Orlando, Florida. October 7, 2017.

3. Regional

Ching JA. Visiting Professor. Secondary Cleft Lip and Rhinoplasty. Division of Plastic Surgery Conference, Baylor College of Medicine. December 21, 2023.

Ching JA. *Lecture*. Tranexamic Acid Use in Plastic Surgery. Annual Meeting of the Southeastern Society of Plastic Surgery. June 16, 2021.

Ching JA. *Lecture.* Pediatric Cranioplasty. Division of Plastic Surgery Conference, University of South Florida. February 20, 2017.

37. Ching JA. Lecture. Cranioplasty. Division of Plastic Surgery Conference, University of Florida. April 27, 2020.
38. Ching JA. Lecture. Facial Trauma: part 2. Division of Plastic Surgery Conference, University of Florida. April 20, 2020.
39. Ching JA. Lecture. Facial Trauma: part 1. Division of Plastic Surgery Conference, University of Florida. April 13, 2020.
40. Ching JA. Lecture. Plagiocephaly and Craniosynostosis. Division of Plastic Surgery Conference, University of Florida. February 26, 2020.
41. Ching JA. Lecture. Craniofacial Syndromes. Division of Plastic Surgery Conference, University of Florida. February 19, 2020.
42. Chopan M, Ching JA. Lecture. Facial Trauma – General Principles, Facial Nerve, Soft Tissue, Parotid. Division of Plastic Surgery Conference, University of Florida. October 23, 2019.
43. Ching J. Lecture. Blood Management in Craniosynostosis Surgery. Division of Pediatric Intensive Care, Department of Pediatrics. October 10, 2019.
44. Ching JA. Lecture. Cleft Lip Skills Lab. Division of Plastic Surgery Conference, University of Florida. October 9, 2019.
45. Ching JA. Lecture. Cleft Lip Repair. Division of Plastic Surgery Conference, University of Florida. September 25, 2019.
46. Ching JA. Lecture. UF Craniofacial Team Panel. UF Craniofacial Team Family Camp, Department of Pediatrics. University of Florida. August 3, 2019.
47. Ching JA. Lecture. Cleft Palate Skills Lab. Division of Plastic Surgery Conference, University of Florida. April 17, 2019.
48. Ching JA. Lecture. Craniofacial Review. Division of Plastic Surgery Conference, University of Florida. March 6, 2019.

49. Ching JA. Lecture. Lower Extremity and Micro Review. Division of Plastic Surgery Conference, University of Florida. February 20, 2019.
50. Ching JA. Lecture. Craniofacial Syndromes. Division of Plastic Surgery Conference, University of Florida. February 27, 2019.
51. Ching JA. Lecture. Midface Fractures Skills Lab. Division of Plastic Surgery Conference, University of Florida. December 19, 2018.
52. Ching JA. Lecture. UF Craniofacial Team Panel. UF Craniofacial Team Family Camp, Department of Pediatrics. University of Florida. August 4, 2018.
53. Ching JA. Lecture. Mandible Fractures Skills Lab. Division of Plastic Surgery Conference, University of Florida. July 25, 2018.
54. Ching JA. Lecture. Microtia Reconstruction. Division of Plastic Surgery Conference, University of Florida. June 29, 2018.
55. Ching JA. Lecture. Rhinoplasty Basics. Division of Plastic Surgery Conference, University of Florida. May 18, 2018.
56. Ching JA. Lecture. Introduction to Plastic Surgery. Surgical Interest Group, American Medical Student Association, University of Florida. April 9, 2018.
57. Ching JA. Lecture. Craniofacial Syndromes. Division of Plastic Surgery Conference, University of Florida. February 23, 2018.
58. Ching JA. Lecture. Pierre Robin Sequence. Division of Neonatology Grand Rounds, Department of Pediatrics, University of Florida, January 4, 2018.
59. Ching JA. Lecture. Cleft Lip Rhinoplasty. Division of Plastic Surgery Conference, University of Florida. September 29, 2017.
60. Ching JA. Lecture. UF Craniofacial Team Panel. UF Craniofacial Team Family Camp, Department of Pediatrics. University of Florida. August 12, 2017.
61. Ching JA. Keynote. Cleft Lip Repair. Department of Oral and Maxillofacial Surgery Graduation Lecture. University of Florida. June 24, 2017.
62. Ching JA. Keynote. Cleft Rhinoplasty. Department of Oral and Maxillofacial Surgery Graduation Lecture. University of Florida. June 24, 2017.
63. Ching JA. Lecture. Mandible Fractures. Division of Plastic Surgery Conference, University of Florida. February 13, 2017.
64. Ching JA. Lecture. Cleft Lip and Palate. Ground Rounds, Department of Orthodontics, University of Florida. January 19, 2017.
65. Ching JA. Lecture. Cleft Lip and Palate. Division of Plastic Surgery Conference, University of Florida. January 13, 2017.
66. Ching JA. Lecture. Cleft Lip and Palate. Grand Rounds, Department of Oral and Maxillofacial Surgery, University of Florida. January 12, 2017.
67. Ching JA. Lecture. Orthognathic Surgery. Division of Plastic Surgery Conference, University of Florida. December 9, 2016.
68. Ching JA. Lecture. Craniosynostosis: Diagnosis and Treatment. Grand Rounds, Department of Surgery, University of Florida. November 9, 2016.

G. Visiting Professorships

Division of Plastic Surgery, Baylor College of Medicine, Houston, Texas. December 21, 2023.
